

## BVR (Business Value Restoration)

The Atsumi & Sakai business value restoration (BVR) team supports both Japanese companies, and multinational companies operating in Japan in crisis management, and the implementation of their strategies to enhance, protect and, in the worst case, restore the value and reputation of their businesses.

The BVR team comprises lawyers with significant experience in the various fields of law which may be called upon to support the protection of a business's value, including:

- legal, financial and anti-trust compliance and investigations
- criminal and fraud complaints & proceedings; extradition
- lenders', shareholders' and other investors' rights
- whistle-blowing
- dawn raids
- corporate governance and procedures

### ▶ ABOUT US

Atsumi & Sakai is a multi-award-winning, independent Tokyo law firm. The firm operates as a foreign law joint venture, combining a comprehensive Japanese-law practice with a team of foreign partners and lawyers from major international law firms to provide its clients with the benefit of both Japanese law expertise and real international experience.

Expanding from its highly regarded finance practice, the firm now acts for a wide range of international and domestic companies, banks, financial institutions and other businesses.
